# Five titles have been shortlisted for our Book Award

16 July 2018

**The shortlists for this year's BPS Book Award have been announced.**

This year five titles have been selected in three categories for these awards administered by our Research Board::

## Academic Monograph

*The Seven Deadly Sins of Psychology: A manifesto for reforming the culture of scientific practice* by Chris Chambers

*Unthinkable: An extraordinary journey through the world's strangest brains* by Helen Thomson

*The Influential Mind: What the brain reveals about our power to change others* by Tali Sharot

## Textbook

*Forensic psychology: Theory, research, policy, practice* by Jennifer Brown, Yvonne Shello and Terri Cole.

No award will be made in the Practitioner Text category this year.

The winning titles in all three categories will be announced in September, and their authors will receive commemorative certificates at next year's Society annual conference.
